January and February 2021 Update

Dear Prayer Warriors,

On December 30, 2020, we welcomed our daughter, Charity Mae Pontius, to this world. She weighed in at 8 lbs. 6 oz. and measured 21 inches long. Brittany and Charity both were healthy through delivery and are doing well now. We are thankful to God for a safe and smooth delivery and we appreciate your prayers for Brittany and Charity through this.

At the end of January and beginning of February, I began traveling to meetings in Pennsylvania. We continued with meetings in mid February in Virginia and Maryland. We are thankful for three new churches that have decided to partner with us, and we are excited to say we are at 10% of our support goal!

For the first week of March, I was able to take a survey trip. I appreciate the help of Bro. Sam Eastep who let me stay with him in León, Guanajuato, Mexico, and took me to spend a day in Querétaro, Mexico. Seeing Querétaro for the first time was overwhelming; there were houses about as far as the eye could see. Please join me in praying that many souls would be saved and lives would be changed by Christ in this large, growing city.

After I return to the States, we have a few churches where we are scheduled to present our ministry in March and April. We will be traveling to the BIMi home office in Chattanooga to work on producing our presentation video with Bro. Tony Bulawa. We do have some open Sundays in April that we would be glad to fill. We covet your prayers for safety as we travel.

I cannot thank you enough for your prayers for us so far, and I look forward to sharing more answers to prayer with you in the months and years to come!

In Christ's service,
