March 2024 Prayer Letter

Dear Prayer Warriors,

As we conclude the month of March, we are grateful for your prayers and generosity that continue to help us on the mission field. Brittany and I are continuing to progress in Spanish and are continuing to learn new things in the culture here.

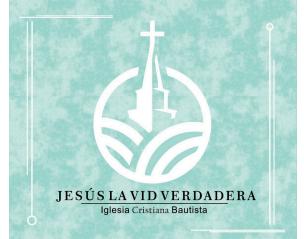

We do praise the Lord that we were able to get plates for our car at last! I was able to get a driver's license here, and with that it was much easier to get the plates. Both the license and the plates should make things better in the event we would get pulled over (I have heard many stories of Americans getting hassled during traffic stops). Thank you very much for your prayers in this matter!

I was also able to partake in some new ministry opportunities this month. One Saturday, our church had a work day at their new property and I was able to help some on that day. Also, I was able to fill the pulpit for a local pastor, Aldo, who was sick with Dengue Fever. Praise the Lord that Pastor Aldo has improved and has returned to his pulpit. During the course of the month, I was also able to lead a soul to Christ. I am very grateful for the opportunities to minister I had this month, and I am grateful for how the Lord's hand worked in all of it.

We would appreciate your prayers regarding some change of address paperwork we have to do with INM (the immigration authority in Mexico). We had attempted to have this done last month, but there were some issues and we are currently in contact with a lawyer trying to figure out the best way to resolve this and avoid any fines. We appreciate your prayers in this matter, as well as for our language learning and for our ministry as a whole here in Mexico.

In Christ's service,
