July 2024 Prayer Letter

Dear Prayer Warriors,

I know I always start these letters by thanking you for your prayers, but I am very grateful for your prayers and how God has worked through them. We are thankful that we have made significant progress with the kitchen repairs. As I write this, I have replaced all of the broken wood and have reinstalled the countertops, and the sealant is currently setting around the back edges and around the sink. The painting of the new wood and reinstallation of doors and drawers also remains to be done, but we do hope to have that fixed soon.

We also discovered a severely insufficient wire in the main power supply for our house that appeared to be burnt and molten, and had to urgently replace that. We are very grateful that God allowed us to find that hidden problem when we did, because we do not know how many more problems would have come should that wire had not been replaced. I do not think that would have been good at all. We are also grateful to once again have sufficient power to go about our normal lives once again!

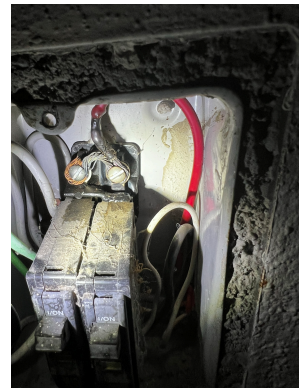

I also am glad to report that I was able to lead Isaac to Christ this month. Sadly, in spite of a few more attempts to visit Adrianna this month, I have not been able to talk with her again yet in order that she could be saved. Please continue praying for her salvation.

We also would ask your prayers as we plan to look at houses in Querétaro next week. We need God's help in guidance and discernment as we look at houses, especially given all the hidden problems that have come to light in our current house. Once again, we thank you for your prayers for us and ask that you would continue to pray for us here in México.

In Christ's service,

*Tim Pontius*
