August 2026 Prayer Letter

Dear Prayer Warriors,

We are thankful that August turned out to be a very productive month, and I am excited to share how God worked with you all. We were able to sign the lease contract for our church building on August 15. Even though we had to work through some complications in the hours before signing, praise the Lord that all was able to work out and we were able to get the keys that day. Thank you for your prayers that allowed all to work out and allowed us to get to that point.

On August 23, we were able to host our first Bible study service in our building. The Lord was very gracious and allowed us to have 15 on our first Sunday! In our second service, while we did have 10, we were able to have 3 first-time visitors. Thank you again for your prayers that also made all of this possible!

We are planning on and working towards having a grand opening service in October. Unfortunately, delays in finding and being able to use a place have pushed back our timeframe, and there is still much I would like to do before having a grand opening service in order to make it grand. Please join me in praying for that service and for the work we have to do in the time being. Thank you again for your prayers and support that have made all of this possible so far!

In Christ's service,
