September 2026 Prayer Letter

Dear Prayer Warriors,

The month of September proved to be quite eventful for us here in Querétaro, México. We are grateful that we have been able to have some visitors to our Bible study and to have some of those visitors return. We are also grateful that we have prospects that are wanting to visit us in the near future. In the midst of seeing God work and bless in the beginning of Iglesia Bautista Redención, September also had some challenges. The water pump at our house went out on a Friday somewhat early in the month, and it was not able to be replaced until that Monday that followed. Probably as a result of those repairs, shortly after our cistern began overflowing. Praise the Lord, at the moment it looks like all of our water issues are solved, but unfortunately that proved to be quite a battle throughout this past month.

Also during September, Charity and I were able to take a very brief trip to Ohio for the wedding of my sister Cora to her now husband, AJ Perkins. We were very grateful that we were able to be a part of their special day! We praise the Lord that we were also able to make it from the Saturday wedding ceremony to our Sunday morning service, even in spite of some flight delays.

We are still working on planning our grand opening service at this moment. There is much that I would like to do in preparing our facility for such a service, and I am in the process of determining what would need to be done before our grand opening. Please join me in praying that God would give me wisdom through this process and that God would help and strengthen our family as we continue in this work.

In Christ's service,
